

REMARKS

Reconsideration and reexamination of this application is respectfully request, Claims 1 - 59 were originally in the application. Claims 1 - 59 remain in the application.

Formal drawings are being prepared and submitted under separate cover.

The disclosure has been objected to as containing multiple instances of grammatical and spelling errors. This objection has been overcome by the included amendment to the disclosure.

The claims 1 - 58 have been rejected under 35 USC 112 as containing grammatical and spelling errors. The Examiner has objected to the claims as having numbering informalities. This objection has been overcome by the included amendment to the claims. Renumbered claim 57 has been amended to overcome the rejection of renumbered 58, 59.

In view of the amendment, it is believed that all reasons for rejecting the claims have been overcome and all remaining claims are in condition for allowance. Allowance of all remaining claims is earnestly solicited.

Respectfully submitted,

Robert Samuel Smith
